Hidden away in the depths of Cinderhill Wood is an amazing area of former sphagnum bog. We will be clearing some trees from here in the hope of restoring this rare and important habitat and creating a circular route around it for horse riders. All tools and training will be provided on this practical volunteer task. Meeting point will be at the Cinderhill Woods carpark (TQ651424 or TN12 7EB) For more directions to the site click on 'home' then go to 'events calendar' and go to 'get directions to events' or contact Gemma.
